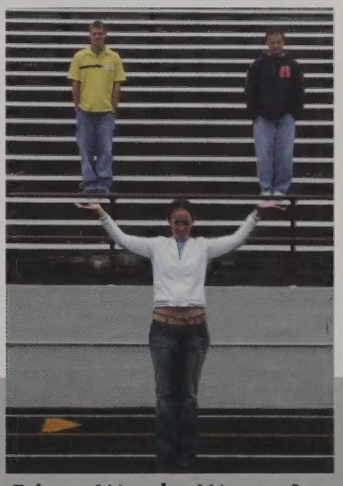
Say cheese! (above right) Seniors Nicholas Ford and Megan Christiana come together to snap a shot for the new and twisted school year.

Training For Tradition

Here at Mishawaka High School students and staff fill the halls everyday hoping to learn something new and exciting. Well, at Mishawaka High School, where the Cavemen strive for perfection, you will always find new and exciting opportunities. This particular year is a good year to continue the old Cavemen tradition,while twisting the details around a little.



Erin or Wonder Women? (above) (Sr.) Erin Smith holds her friends Joel Cyrier and Kevin Stanton or is she? Students love to have a good time despite all the hard work they put in.

Twisting it up! Travis Canfield (Sr), Ashley Whitfield (Jr) , Cameron Byall (So), and Katie Budzinski (Fr) try to untangle themselves in a very twisted game of twister.

Twisting the Facts

Tradition is a characteristic that Mishawaka High School thrives on. This 2002-2003 Mishawaka High School year took the old Cavemen traditions and twisted them around. New students, previous students, teachers, and staff came into the building for the first time this school year could definitly tell the atmosphere had changed. Most people would agree that many of the changes were for the better. For those who did not feel the changes right away, they certainly felt it later on. How do you think this twist of change effected your school year?

What in the world?! Sophomores Lindsay Myers and Brittney Taylor (legs) try to fool us with their tricky ways. Is this really two people or one? We will let you decide.

TWo heads are better than one! Seniors Kevin Stanton and NIck Nicodemus show their way in saying two heads are better than one at the bookstore counter.

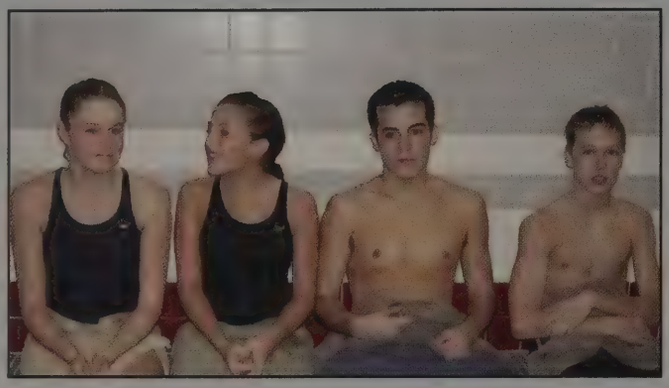
Back To A New Year

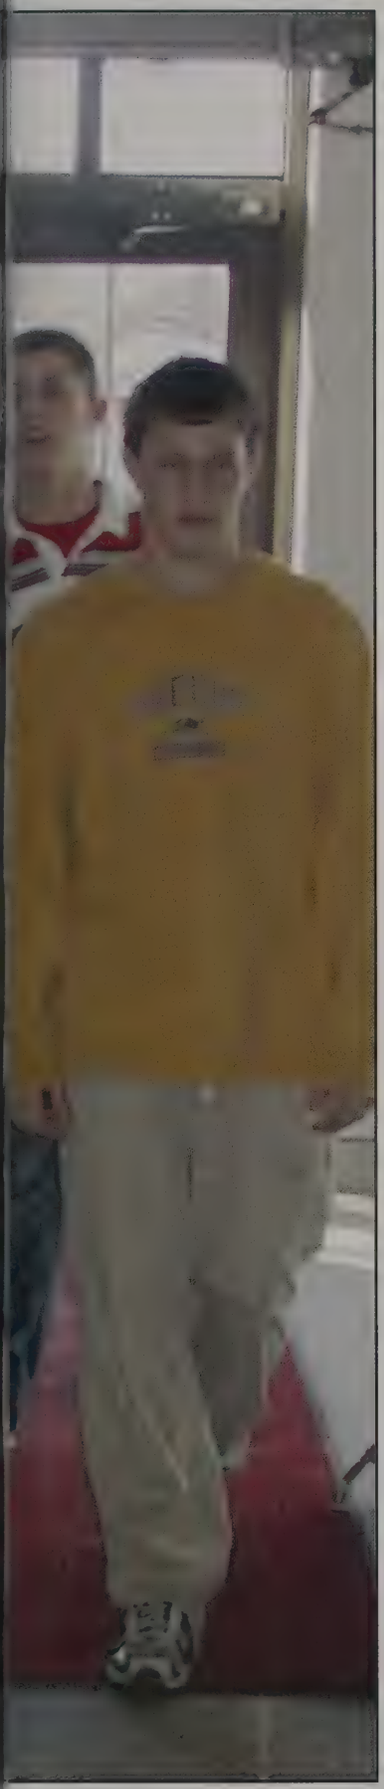


Let's go swimming! Jennifer Black (Fr), Rachel Harper (Fr), Austin Cabello (Fr), and Michael Szemethy (Fr) sit and wait for their opportunity to get into the pool for freshmen P.E. class. Freshmen were required to take one year of P.E. class which included various games and swimming. Students learned the fundamentals of both the games and swimming, and were required to take tests over the material that they learned.

Back to school! Doug Ealey (Sr) and Paul Houghton (Sr) come back to school to their new lockers in the senior hallway. Seniors looked forward to their senior year not only because it was their last year but because they got to have their lockers in the senior hallway.

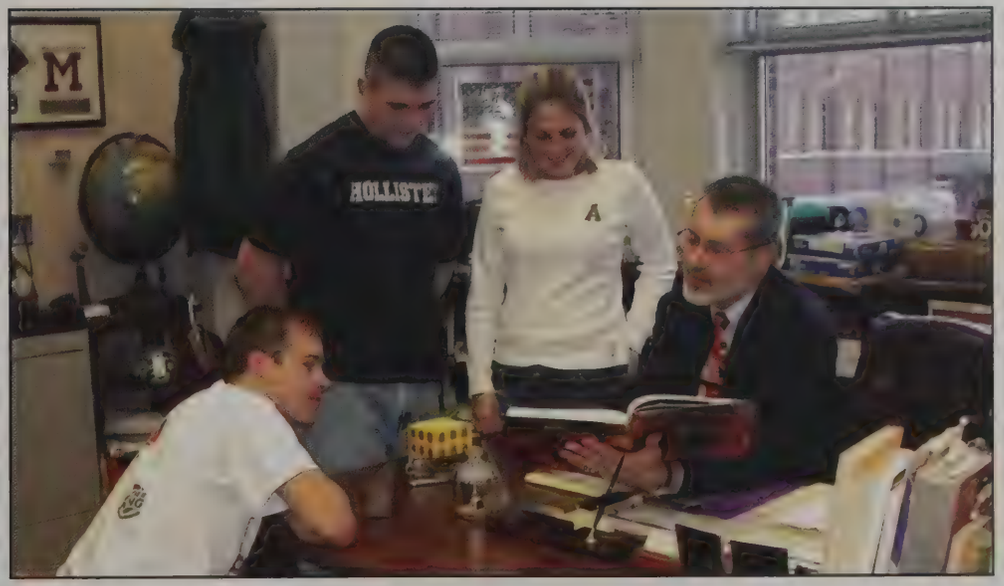
Taking a plunge! Michael Hudson (Sr) and Alexander Dolly (Sr) try to dunk Patrick Stamm (Fr) into the toilet in the boys' bathroom. Seniors enjoyed giving freshmen a hard time since they were the newcomers of the school.

Were back! Steven Welch (Sr), Paul O'Hara (Sr), Katherine Jessup (Sr), Matthew Boles (Jr), and Andrew Mabie (Sr) walk in through the doors ready for another school year to begin. Students were ready to be back to school from the long summer break. Students were greeted not only by their friends but by new faculty and a new principal.



Welcome Back To New Traditions

When the doors to Mishawaka High School opened in August it was a new year full of change. A new year brought a new principal, new teachers, and new policies. It was out with the old and in with the new. Students were greatly challenged with the stricter policies that were brought by the new principal Mr. Marzotto. The tardy policy was closely looked at and revised. Students still had their seven minute passing period but only were allowed two tardies per class. After their two tardies were used they received one detention. This was a challenge for many students, but after serving their detentions students realized it was no joke. Besides adjusting to the new tardy policy and principal, students were adjusting to their new teachers. Classroom policies and expectations were varied, making it an even harder challenge for students.Not only did the students have to make adjustments but so did the teachers and faculty. Teachers and administrators had to stand in the hallways to ensure that students made it to class on time. Teachers and administrators had to do this in previous years, but it was instilled more this year than any other. This really helped to push students not to be tardy and to prevent hallway fights. Although the students entered the new school year with many challenges, once they adopted to the policies, principal, and teachers everything ran smoothly. There was less pushing in the hallways, far less tardies to class, and an overall better attitude in the school. Making it an even better school year for everyone.



Taking a look back... Joel Cyrier (Sr), Nicholas Nicodemus (Sr), Mary Klotz (Sr), and Mr. Marzotto look back on the memories in a yearbook. Students welcomed not only a few new teachers but also Mr. Marzotto, the new principal. Although he was new to Mishawaka High School he was given a warm Cavemen welcome.

We've got spirit! Stacey Blasko (So) and Brannigan Benson (So) flaunt their flashy attire on : "Maroon and White Day" supporting the Mishawaka Caveman football team.

Surf's up dude! Shaun Sowers (So), Becca Staples (Sr), Susan Richardson (So), Nathan Laird (So), and Erica Weaver (Jr) show off their spirit on "Hawaiian Day." Spirit week was set back by a week so it wouldn't interfere with ISTEP.

Take out the trash! Nicholas Ford (Sr) and Benjamin Wilson (Sr) are the big bad bullies of the Mishawaka hallways. Nerds were their prime suspects, especially on "Nerd Day" of spirit week. Andrew West (Sr) was disposed in the trash as his punishment.

Thumbs up, nerd.. Mary VanDamme (Fr), Johnathan Grant (Sr), and Kathryn VanDamme (Sr) dress up as typical nerds on "Nerd Day." Along with the outrageous outfits, came the wacky hair-do's and crazy personalities. "Nerd Day" is a tradition Mishawaka has for spirit week that will be hard to ever replace.

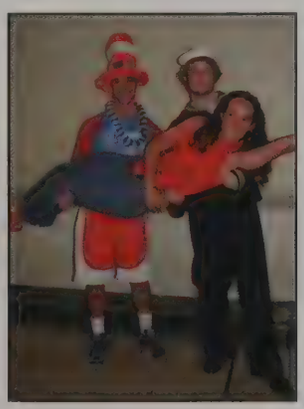
Toughen Up! Tiffany Lovin (Jr), Jessica Nguyen (Jr), Tricia Middleton (So), Sally Obren (Sr), and Ashley Smith (Jr) present their patriotic spirit on "Patriotic Day." This day was very significant for everyone who remembered the September 11th attacks in 2001.

Get to class! Hanging out in the hallways, Bradley Wisler (Jr), along with Daniel Schuster (Sr) and Nicholas Ford (Sr) are showing off their outrageous styles for "Hippie Day."

Twisting the spirit, always a tradtion.

Caveman Pride! Jeremy O'Dell (Sr), Jamie Riddle (Jr) and Megan Kuzmicz (Jr) support their fellow classmate football players as they get pumped up for the homecoming football game later that night against Archbishop Hoban.

Of all kinds.. Nathan Laird (So) represents his country as an American Salior. Erin Smith (Sr) had a subtle way of displaying her pride in America, while Joshua Wallace (Sr) went all out with his creative style!



"Oh my gosh! Do you see how they're dressed?" or "What are they thinking?" were two common questions heard while walking down the halls of Mishawaka High School during spirit week. It was a time to show off crazy creativity with outrageous outfits thrown together to fit the festivity of that certain day. A lot of the students went all out while others stood back and watched their fellow classmates display their astounding Caveman Pride!

Although not everyone participated, some of the quietest students, along with some of the loudest and everyone in between, including the Mishawaka staff, took part in the humorous, thrilling, and extreme spirit week!

The fun began on Monday, September 30th. Students and staff were seen wearing high waters and pocket protectors for Nerd Day.

Patrick Hasbrook (Jr) stated, "I liked the originality of people on Nerd Day." It was back to the 60's on Tuesday with tie-dye shirts and wild hairdo's for Hippie Day.

"I liked the clothes everyone was wearing," said Kendra Files (So).

The pride of the country was shown in red, white, and blue on Wednesday for Patriotic Day. Kaley Mahler (So) exclaimed that she thought, "It was cool that everyone showed their patriotism."

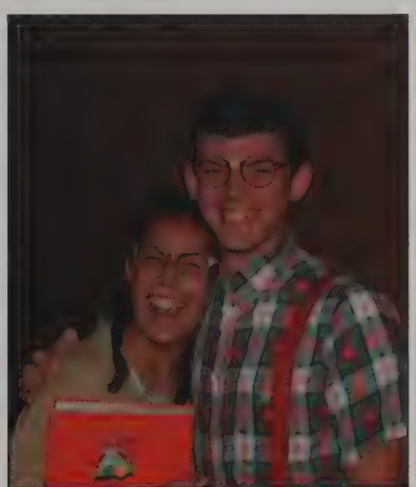
Grass skirts, Hawaiian shirts, and vibrant leis were shown off on Thursday for Hawaiian Day.

Throughout the whole week, the students and staff of Mishawaka showed their Caveman pride.

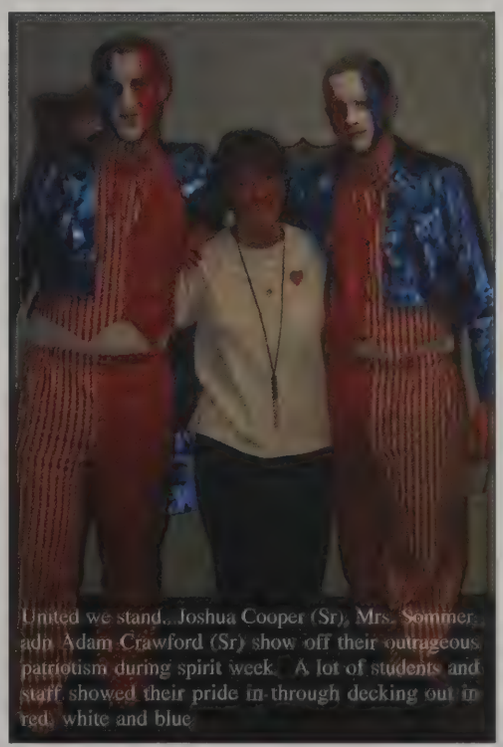
Paul O'Hara (Sr) said, "I think Daniel Schuster and Nadina Kodba were the MVP's of spirit week." Our proud colors of maroon and white were flaunted through the halls in every direction on Friday for Maroon and White Day.

Stacey Blasko said, "Maroon and White Day was my favorite day because it's the only day I actually dressed up!"

With the absence of the homecoming parade, Mishawaka students and staff still managed to make the most of homecoming activities that included the ritual "motivational symposium," as led by the new principal, Mr. George Marzotto. With the spirited apparel and feisty attitudes of the students and staff, the football players stood full of pride and enjoyed the extra motivation provided by their fellow classmates and teachers.



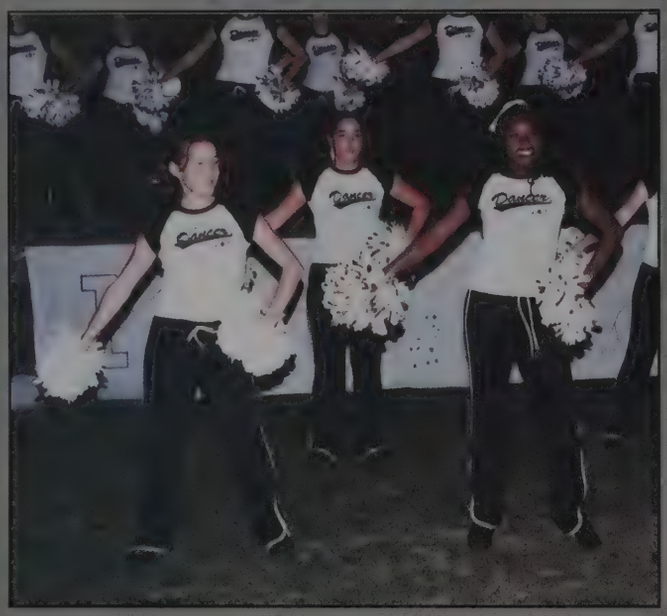
Hey Nerds', say cheese! Nadina Kodba (Sr) and Dan Schuster (Sr) twist their whole fashion sense around for "Nerd Day." Students and staff had a chance to show their definition of a nerd.



United we stand.. Joshua Cooper (Sr), Mrs. Sommer adn Adam Crawford (Sr) show off their outrageous patriotism during spirit week. A lot of students and staff showed their pride in through decking out in red, white and blue.

A perfect performance. Brittany Rybicki (So), Megan Bybee (Fr), and Amina Idris (So) do their routine during the bonfire to help pump up the crowd. The poms used many of their performances as practices in order to prepare for their upcoming competitions.

Pumping up the crowd! Seniors Joseph Decrane and Timothy VanBruaene describe their season and speak about their predictions for the upcoming game to the crowd at the bonfire.



Showing their spirit. Ashley Laird (Sr), Corey Andrzejewski (Sr), and Nadina Kodba (Sr) show their spirit during Homecoming week. Many students showed their support through t-shirts, banners, and face paniting. Seniors usually lead the way in hopes of getting underclassmen involved in the festivities.

Standing by the fire. Brittney Taylor (Jr), Rose Kovatch (Jr), Angela Presits (So), Gabreilla Layman (So), Emily Stillson (So), Mia Trimboli (So), Sara Dietzel (So), Cari Eller (Jr), Anthonry Santos (Sr), Kelly Zillman (Fr), and Jonathan Grant (Sr) all take time out from enjoying the bonfire for a quick picture. Students came to the bonfire to support the football team and to have some fun.

Getting "Fired" Up

The week of fall Homecoming was filled with many festivities . Students were showing their spirit all week to support the team for their big game. When Friday came students were pumped for the assembly, not just because they got out of class for a little bit, because they also got some fun filled entertainment from Mr. Chamberlin students also got to listen to the football players talk about their up coming game. This helped the players get the adrenaline rush that they needed in order to win the big game. Pep assemblies were a busy time for everyone. It helped everyone get involved and brought the school together. The cheerleaders cheered, the poms performed, and the sports teams were announced. A bonfire was even held at Merrifield Park the night before the big game to get the community involved and have more fans in attendence for the game. At the bonfire hot dogs along with drinks were provided for free and speeches were given by both the football players and Mr. Marzotto. The poms and the cheeleaders were there to help entertain the fans with dance rountines and cheers. At the end of the night the bonfire was lit and the community sat back and watched as the night sky lit up in an orange blaze.

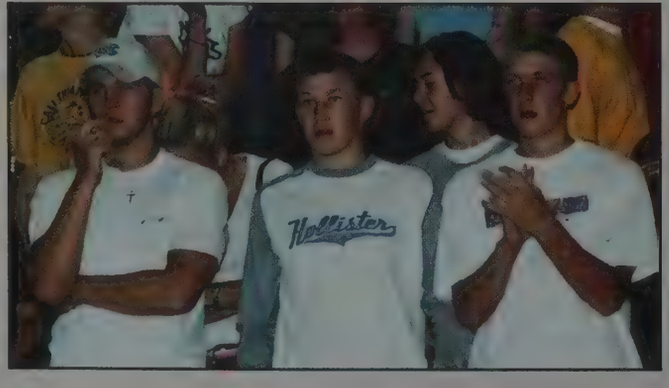
"March, march on down to fame"--The pep band played the school song at the start of the pep assembly to pump everyone up. The homecoming assembly introduced all of the candidates for Homecoming queen to the student body.

Pep talk. Mr. George Marzotto, principal, reminisced about his time at Mishawaka High School while cheerleaders Breeana Gregory (Sr), Ashley Smith (Jr), Gabriella Layman (So) and Angela Presits (So) wait to start the next cheer. The cheerleaders and pom squads came to the bonfire to perform and support the football team.

Game Time Twisted Traditions

Group picture girls! Taking pictures before and during the football games was a common sight to be seen at the game. Getting together with your friends for a quick pose was what these sophomore cheerleaders, Hope Grame, Gabriella Layman, Angela Presits, Allison Campbell and sophomore homecoming representative, Jorydn Popovich had in mind.

Smile big! Taking a quick break from being managers, Kimberly Yeakey (So) and Michele Hans (So) smile big for the camera. Some of the tasks they had to do at football practices and games were fix the helments, clean the uniforms, and fill up water bottles.



Waiting for the touchdown. Matthew Boles (Jr), Matthew Smith (Sr), Paul O'Hara (Sr), and William Smith (Jr) wait anxiously for Mishawaka to score a touchdown. The Cavemen were defeated by Archbishop Hoban, 25-8.

Here we come. Take pride with the Mishawaka flag, Brittney Lambuth (Sr) had the privilege of running onto the field with the flag when the football team came out. Brittney was glad to be back for her senior year after attending a different school.

Stand Up for Cavemen Spirit

The student body lives for Football games. The excitement of no school for two days, the break away from teachers and rules, and the most popular reason for Fridays--football games.

Jeff Blanda (Sr) said, "The students really get into the games and we all have a good time."

Corey Andrzejewski (Sr) loves the games. "I have always had a passion for football games. When you walk into the stadium, you can feel the excitment. Once the players run onto the field, that really pumps up the crowd." Many of the student's plans for the weekend start with going to the game.

Claire DeVreese (Jr) was a familiar face in the crowd. "Everyone goes to the games, and most of the time, everyone is into it." Going with friends, dressing in the popular maroon and white colors were common sights seen in the student section.

Senior cheerleaders, Tabitha Main said, "The best part of football games is when the crowd yells with us. A lot of the times we get so into the game that we forget to cheer" and Rebecca Staples agreed.

Nathan DeVreese(Sr) said, "I really enjoy going to the games. A lot of students go that show their school spirit."

Ashley Laird (Sr) always sported the maroon and white. "I just wear the colors in a stylish fashion. A maroon scarf, hat, or sweater usually does the trick. I love football games."

We've got spirit! Showing their Cavemen pride, seniors Scott Gann, Nadina Kodba, and Corey Andrzejewski come together to support the players on a victory. Painting letters on chests, and making shirts was what a lot of the seniors did.

"I was in shock. I didn't even know what to do!" said this year's Homecoming Queen, Brynn Bergin. As many remember Homecoming night by the colored faces and painted shirts, 11 girls will remember it otherwise.

"It was a blast representing the sophomore class!" said Jordyn Popovich. Getting ready was an endless task, but it was worth it in the end.

"The girls all looked beautiful. I loved all the dresses, but I like tiger print the best. Grr!" said Richard Hahn, this year's stundent council president. The girls were escorted by 11 senior guys.

"Wearing a tux, driving a golf cart, it doesn't get any better than that!" exclaimed Daniel Schuster, smiling from ear to ear.

It seems Daniel wasn't the only one happy about escorting the girls, as Joshua Wallace went on to say, "So many girls, so little time." When it finally came time for each girls name to be announced to the crowd, nerves were running high. Concentrating on not falling and keeping a smile spread on their face, the girls looked as though they were on cloud nine. They were each escorted to their seats and waited in anticipation. As the five seniors were announced, many were trying to guess who would be wearing the crown proudly this year. After the winner was announced Richard took the honors in laying the delicate crown on Brynn's head and the crowd went ecstatic.

MEN IN BLACK..... Seniors Nathan DeVreese, Jeff Blanda, Daniel Schuster, Joshua Wallace, and Daniel Smith were some of the few chosen to escort the ladies on Homecoming night.

Taking a break! Heidi Williams (So) and Sara Pontius (So) enjoy themselves at the winter dance. The winter dance was sponsored by the P.T.A. and was held at the F.O.P. on 12th street in Mishawaka.

Ladies' man... Angela Riskovitch (So), Amber Everts (So), Katie Kerchner (So), Caryn Escher (So), Benjamin Modlin (Jr), and Michelle Ferris (So) get their picture professionally taken by Valentino's. Students were allowed to get their pictures taken in large groups, with friends, or as couples so they could capture the moment on film.

Friends forever. Linzy Smith (Jr), Gabriella Layman (So), and Laura Amacher (Jr) show off their pearly whites. Many girls chose to wear strapless dresses with their hair up, while most guys' outfits included dress shirts and ties with dress pants.

Cooling down. Abbey Frick (Sr) and Karen Burkhardt (Sr) sit at a table and take a break from the dance floor. Students used the tables and chairs to cool off and to drink refreshments.

Dancing the night away. Sara Kealy (Jr), Erin Smith (Sr), and Tiea McCormick (Jr) take a break on the dance floor for a quick picture. Girls did most of the dancing throughout the night while many guys sat at the tables and participated in the dancing during for the slow songs.

Twist and Shout

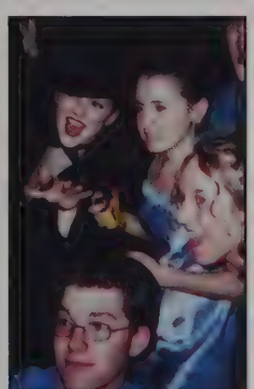
All dressed up. (above) Heather Brock (Jr), Alisha Tague (Jr), Alicia Ashburn (Jr), Elise Brownbridge (Jr), and Cari Eller (Jr) all stand together for a memorable moment. Many girls and guys brought disposable cameras to the dance so they could capture their memories.

The winter dance was a night filled with fun for all. Many students of all grades went for a night of dancing and smiles. People went as couples, as friends, and with friends. A date was not needed to have fun. Most students went out to eat before the dance or made dinner for their dates. Some popular restaurants that students went to were T.G.I. Friday's and Doc Pierce's.

It was not an unusual scene to see a majority of guys sitting on the sides and to see the girls out on the dance floor. Tables were set up for not only the guys to sit down, but also for the girls to give their feet a break and kick off their heels. Pictures were taken and purchased from Valentino's as a couple or just with friends. Many students purchased them to remember their night of fun.

At the end of the night each person received a souvenir gift. This year it was a small glass ornament in a variety of shapes and pictures such as snow men and angels.

Sara Kealy said, "the dance was a fun-filled time with all of my friends." Most people went to just have a good time and to have four crazy hours of dancing and laughs. The dance was a semi-formal so both girls and guys did not have to dress up too fancy for the occasion. A simple pair of black pants, dress shirt, and a tie would do for the guys. The girls mostly wore simple dresses that were not too expensive, but elegant enough.



Gettin' their groove on. Emily Claeys (Sr), Karen Burkhardt (Sr), Kristin Hutson (Jr), and Jonthan Grant (Sr) dance into the night. Friends stood in groups dancing all night long.

Dinner time! Kyle DeSmith (Jr), Heather Brock (Jr), Elise Brownbridge (Jr), and Bryan Obando (Jr) pose for the camera at dinner. Many couples went out to dinner at various restaurants before attending the dance.

Hold that pose! Brannigan Benson (So) and Gabriella Layman (So) take a picture at the start of the night before hitting the dance floor. The dance was a semi-formal so girls and guys alike did not have to spend a lot of money in order to attend the dance.

It's a TWISTER! Caitlin Joachim (Fr), Benjamin Dolly (Fr), and Brannigan Benson (So) are showing just how flexible they really are. With two representatives from each class, getting all twisted up with the opposing classes was inevitable.

Showin it off! Paul Johnson (Jr) Zachary Kline (Jr) and William Smith (Jr) show their pride as Juniors after the Class Olympics. Even though they didn't win the competition they were still proud of their performance and had a great time.

How low can you go? Emily Stillson (So) tries to beat out her competitors by trying to slide beneath the limbo stick. Flexibility and coordination are key in winning this event!

In your face! The Sophomores enjoyed smothering Ryan Aaron's (So) face with whip cream, in the Cheeto Face event. Students had a fun time with this event even though most of the mess ended up on the floor and not on their faces!

Climbing to the top! Stephanie Paul (Jr) is determined to get to the top of the pyramid in record time in order to win this event. Team work and speed were a necessity in this competition.

Class Olympics twists tradition

Domination! The Sophomore class show their pride and spirit as they took control of the 2003 Class Olympics! Not only did they beat out every other class, but also the teachers and the PTA!

This year, the Mishawaka High School Student Council put on another successful Class Olympics. Student Council assigned each of the classes a designated color of shirt, for the Freshmen it was gray, Sophomores gold, Juniors white and the Seniors maroon. Along with t-shirts, some people sport other maroon and white apparel such as soccer socks or maroon and white body paint to show their spirit.

Class Olympics is an event to get the student body involved, in a fun but intense competition. All the classes, PTA, and teaching staff go up against each other in various events, such as the limbo, dodge ball, twister, and the trash bag runway, just to name a few. Every year the Student Council introduces new events to give the olympics a new and exciting twist. To add a new flare this year, the Cheeto face event was added to the line up of events. In this event, one participant's face was covered with whip cream while their teammate threw Cheetos at their face, in hopes to have the most Cheetos stick to the whip cream when the time was up. In order to keep tradition alive, the singing of the school song is the concluding event. Each class competes to be the loudest and most enthusiastic.

At the end of the night, all the points are added up to determine the winner. But, the question on everyone's mind is who is going to win this years Class Olympics? Not only adding new events to the line up this year was a twist, the biggest twist of all was the team that came out on top ... the Sophomores!

Stage fright? No way! Erik Tjaden (Sr) and Quinn Young (Sr) kept the Class Olympics rolling. As commentators, they kept everything under control while still letting everyone have a great time.

1,2,3 PULL! Timothy VanBruaene (Sr) and Aaron Fras (Sr), show just how strong you have to be to win in tug-of-war. The seniors did their best and gave it their all in order to beat out the other classes.

Justin said, "I was nervous going out there , my knees were shaking and my heart was racing" but in the end he was all smiles. Seniors were not only ones involved in Homecoming; two guys in every grade represented their class, such as junior Bryan Allen.

Bryan said that although he was on court the previous two years, he was 'surprised and happy' to be chosen again. Although Bryan was once again chosen and had already had the experience, it was a different story for Colin Wjtyzsiak.

As a freshman, Colin got a taste of what homecoming was really like. He said, "It was such an honor to be chosen to be on court; it was truly a neat experience." All of the guys were escorted by senior girls. One such escort was Nadina Kodba, senior.

Nadina said, "It was fun to get all dressed up and escort the guys but the most exciting part was waiting to see who was going to be crowned king." After the crown was placed and the pictures were taken the night came to a close, but the memories were everlasting.

Everlasting Moments

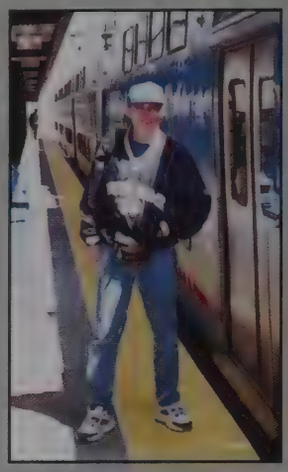
"A Night to Always Remember"

On the night of May 3, 2003 the Mishawaka students participated in the dance of the year, Prom. It was held at the Mishawaka F.O.P. where the junior prom committee decorated the hall with beautiful colors of teal, royal blue, pearl, and silver accents bringing together the memories of the year! For the seniors this was their moment to shine, this being their last Mishawaka High School Prom. The students were dressed to impress, with all the springy colors to spice up this moment to always remember. Students of all varieties were joined with dates, friends, and peers. Between the music, dancing, and fun to fill the night the students, staff, and chaperons all enjoyed their night to remember for a life time.

"It was a blast! I was busting all my moves, giving the people what they want!" claimed Daniel Schuster. All in all this special moment took a lot of time to plan for, but it was all worth it!

Dance It Up! Juniors Renea Debaille, Toni Hauer, and June Riley show off their dance moves along with posing for a quick picture.

It's a Chick Flick! Juniors Linzy Smith, Laura Amacher, Ashley Smith, and Rachel Hartman show off their classy formals for the camera. The variety of colors and styles were outstanding!



The windy city. Christopher Aldrich (Jr) stands next to the L in Chicago. Christopher spent time with his grandparents while in Chicago and visited the Sears Tower.

Rock n' Roll. Stephanie Paul (Jr) and Angeline Ashbolt (Jr) spend some time with Elvis at the Hard Rock Cafe in Texas. Like many others the girls went to a warm location to soak up the rays all week long.

Where's Mickey? Travis Falls (Jr) and Priscilla Stevens (Jr) stand beside Minnie Mouse in Florida. Both Priscilla and Travis went with the band but had time to spend out of the group to site-see the surroundings.

Beach babes. Freshmen Chloe Woggon, Melinda Harlow, Rachael Roggeman Anna Gilvin, Allison Gill, and Megan Bybee pose while on the beach. These girls had a day of fun in the sun.

Marching down Main Street. The marching band took their annual spring break trip to Florida. Every year the band goes to Florida to march in the Magic Kingdom parade on Main Street.

Taking A Break From the Ordinary

Under the sea. Collin Holt (Fr), Aron Condon (So), Tanner Borsodie (So), Houston Rayburn (So) , and Thomas Shown (So) take a deep breathe before going under water for a crazy picture. Members of the band were not always marching down Main Street U.S.A. but also got to have some fun in the sun and in the wave pool.

Spring break is always a fun time. A time to escape the books and hit the beach with friends and family. One popular spot to go over spring break was Florida. The band took their semi-annual spring break trip to Florida. The marching band and pom pons had the opportunity to go down to Florida and march in the Magic Kingdom Parade and escape their everyday lives. Although they went down there to march they were not always marching down Main Street, they also spent some of their time at the beaches and in Disney World.

Junior Priscilla Stevens went with the band and she said "It was a lot of fun, I especially enjoyed going to the water park since we did not get the opportunity to go my freshmen year. I also enjoyed going to Disney World and spending time with my friends."

While the band was in Florida many other students were away on vacation in other parts of the States. Stephanie Paul and Angeline Ashbolt spent their spring break in Texas laying by the pool and going shopping.

"My favorite part about spring break was being with my best friend and away from everything this town has to offer," said Angeline Ashbolt. While they were having fun in the sun Christopher Aldrich was having a more scenic trip in Chicago visiting his grandparents.

Christopher said that the best part of the trip was "when I got to see the Sears Tower and ride the L." Christopher got to spend his spring break sight seeing places such as the Sears Tower and even riding the L. Many students find spring break a time to let loose and let go from everyday stress that they experience in school and in relationships. While some people went away for spring break there were those people who stayed here in Mishawaka.

While this year the weather wasn't the greatest in Mishawaka, students still enjoyed being away from school and free to spend their time how they wished. Many reported they slept in late, went to movies, worked, went shopping and just plain relaxed. While all the fun was had during the break still the day came that many dreaded, back to school the next Monday to endure the long stretch until summer vacation.

Tube time! Alice Wilson (Jr), Grace Plummer (So), Kearsten Casey (Jr), and Jamie Riddle (Jr) stand beside their tubes before going tubing. The girls spent a majority of their time by the water and the shops when they were not playing in the band.

Two to tango. Brannigan Benson (So) dances over spring break while in Cozumel, Mexico. Brannigan spent her time down in Mexico by the water.

Aladdin Adventure Charms Audience

The children's play performed by the Mishawaka High School students was *Aladdin* this year. The crew performed their play three different times for different audiences. The play was put on for elementary students from Mishawaka's local schools and again twice for parents, friends, students, family, and those who just plainly enjoyed watching their local youth showing off their many talents as young actors.

The student body worked very hard to perfect their play. Students were not only the performers but also the ones putting on the show. What the audience did not see were those working behind the scenes known as the stage crew. The stage crew worked just as hard as the actors. The *Aladdin* crew dresses up in their costumes, hair, and makeup to show off their best abilities while looking their best. They worked hard for many weeks before the show time. They rehearsed over and over again to make good into perfection. *Aladdin* this year was a huge hit. Every year the crew comes up with new and exciting things to do.

Don't cry my dear! "Aladdin" played by Andrew West comforts his mother played by Erin Houghton at the end of the play. Beside them Kate VanDamme and Tyler Grant decide what to do about the upset of Aladdin's mother.

The performing crew! The children's play that was performed by the Mishawaka High School's students was a huge hit this year. They performed for many age groups that enjoyed it accordingly.

I see you! Sean Lolmaugh who played an evil magician hides behind a rock, hoping no one will see him spying on the village that "Aladdin" lives in. All the characters had many different parts and roles which, when put all together, made the play that much better.

Hear Ye Hear Ye! Local citizens played by Abbey Frick and Carrie Hans, and "Aladdin" played by Andrew West listen to "the sultan," Tyler Grant. "The sultan" always had something important to say to the town.

Applause to all! Seniors Casey Nwokah, Adam Guatier, and Sean Lolmaugh thank the audience with a bow from all cast after the show. The audience enjoyed every minute of the exciting remake of *Aladdin*.

What to do? "Nuna" played by Abbey Frick is tricked by the evil magician played by Sean Lolmaugh into trading the lamp for an imitation magic lamp.

Here Sire! "The sultan" played by Tyler Grant receives an important message from the trusty guard played by Eric Tjadin. The play had many different characters which all played a huge role in the production of Aladdin.

A little dispute. Sean Lolmaugh (Sr) and Caitlin Emmons (Sr) have different thoughts about the wedding. Emmons had the role of Kay Banks and Lolmaugh had the role of her father, Mr. Banks.

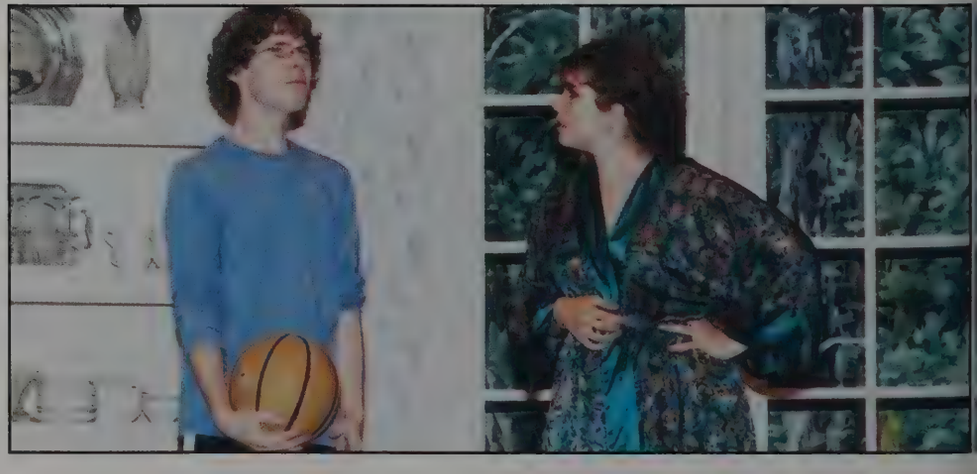
One happy family. (above) Sean Lolmough (Sr), Caitlin Emmons (Sr), Bryant Lehman (Jr), Jonathan Grant (Sr), and Erin Houghton (Sr) sit down for a family dinner playing the part as the Banks family. Erin Houghton played the part as Mrs. Banks.

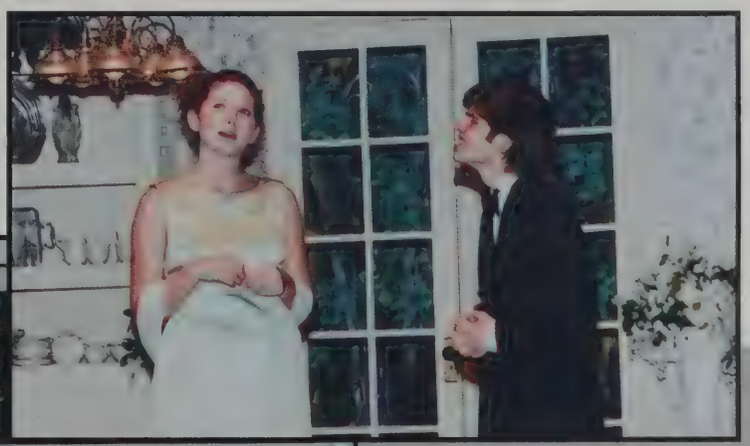
Mother and son. (right) Jonathan Grant (Sr) and Erin Houghton (Sr) show off their acting skills. Both, Grant and Houghton, have put a lot of time into the their acting career both in and out of school.



'Father of the Bride' fills the aisles with laughter

The opening night of *Father of the Bride* was a smash hit. The play brought in many people of all ages, from students to parents to grandparents. Even teachers came to support the students and see what the play was all about.

People came not only to opening night but to also the following two nights of the play as well. *Father of the Bride* was a play about how parents and children may not always have the same views, especially when it comes to marriage, but in the end everything will come together with a little compromising. Houghton was one of the actresses in Father of the Bride. Erin has been acting since she was in elementary school and has regularly been on stage throughout her high school career. She has acted in numerous plays along with Jonathan Grant who has acted in seven plays. Erin finds one of the most thrilling parts in acting to be "when we receive our costumes."



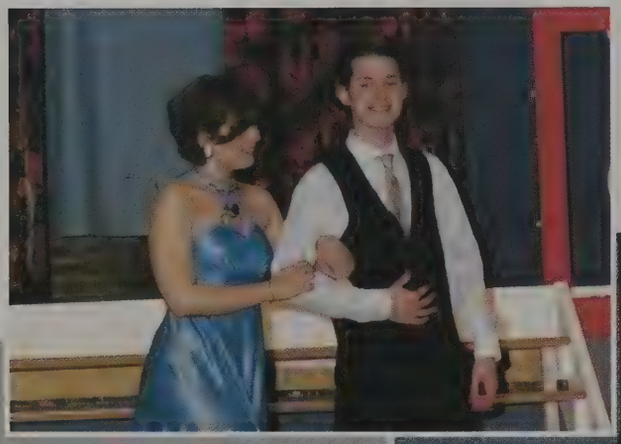
Front and center. Michelle Dorney (Sr) and Sean Lolmaugh (Sr) take center stage. Dorney played the role of Peggy Swift. *Father of the Bride* was the second play of her career.

Planning a wedding. Sean Lolmaugh (Sr) and Adam Gautier (Sr) attempt to sort out the details. Lolmaugh played the part of Mr. Banks and Gautier was the wedding coordinator. The two characters had different opinions for the "perfect wedding".

Anything Goes

An adventure not to be forgotten

The musical that was performed by this years high school students was *Anything Goes*. This performance that was put on was an adventure, romantic scene, and mystery all in one. What else could you ask for? The stage crew, actors, and actresses all enjoyed putting on the play as well as watching their fellow classmates put together a wonderful play. " This year's play was a great play in general! I had a lot of fun with all the people in the play. I have made so many great friendships with all the different groups of people which makes the play that much better," said Erin Smith, a four year Mishawaka High School actress. All the students involved in the play put a great deal of hard work into every aspect of the play. "Everyday after school for about the last three months we have put forth all our effort in making the play the best it can be," said Kathryn VanDamme, also a four year Mishawaka High School actress. This year's play was performed by a variety of high school students, although the majority of them were seniors. On the account of the amount of seniors graduating will mean there will be a young group for next year. This not being a bad thing, will allow us to see our new and fresh group of student show their talents before Mishawaka High School.



This way Ma'am! Reno Sweeney played by Erin Houghton is escorted to the lower deck by Sir Evelyn played by Jonathan Grant.

My True Love! Billy Crocker played by Andrew West tells Hope Harcourt played by Abbey Frick that they are meant to be together. These two fall in the love in the weirdest way.

Bust A Move! Reno Sweeny played by Erin Houghton busts a move while explaining how her and her angels are glamorous ladies. Reno was the head of the show girls in the play.

Hey Boys! The angels played by Megan Christiana, Catyln Emmons, Nadina Kodba, Renee Woodward, Casey Nwokah, Kathryn VanDamme, and head show-girl Erin Houghton show off a little leg. The angels were always showing off.

Wasn't Me! Moon face Mullins played by Matthew Overman, makes sure he didn't get caught in the act, by Bonne played by Emily Claeys. They were the two public enemies of the play.

I-I Captain! Stage crew members Christy Lies, Elizabeth Urban, Melissa Polonski, and Kari Hans salute the crowd. With out the stage crew the play could not go on. Thanks stage crew!

La la la la la! Emily Claeys who played Bonnie shows off herself in her new dress as she sings her heart out. The musical had many wonderful songs and solos.

Right Here I say! The photographer played by Joshua Contrell tells the reporter Kevin Gosztola who he took the photos of. When the passengers got on the ship, they got a complimentary picture taken as if it were real.

The quiz bowl team practices weekly and sometimes daily right after school. Their practices are pretty long, but it pays off in the end. "I like competing and showing my knowledge on the topics available." Being a senior next year, Bernard may become one of the captains of the Quiz Bowl Team, which will look good when he applies to Stanford University in the Fall. "I'm hoping I get accepted, but only time will tell." The team allows you to meet many new and different people which is a good way to expand your horizons. Many would give anything to be able to be part of a group later on in life. Staying socially active in school helps students socially, but also academically.

"My favorite part is the 4th round, also known as the "expert round. I've learned a lot of new facts about certain things which I didn't know before. I definitely plan on being part of the team next year. I recommend anybody else to do the same!"

Clubs & Activities

Have you ever noticed how nice the outside of the school looks? Well if you have, your gratitude should go to the Tree Huggers. Sponsor, Mr. Spiers, and his group of huggers have worked hard to keep this portion of the school grounds look nice and full of life. Stephanie Marshall (So) said, "Mr. Spiers is a good sponsor and makes it fun."

Tree Huggers

Member profile: Stephanie Marshall

Stephanie first got involved in Tree Huggers this year. She had been a member of Waltonians and heard about this organization from other Waltonian members. The tree huggers' main events include setting up information on Earth Day, and planting flowers and other greens outside the school. Tree Huggers also partake in environmental clean ups and may adopt a portion of the river to care for and keep clean. Before joining this group Stephaine never really knew any way to help out the enviro-ment. Now she knows that every little bit helps and continues to take part in Tree Hugger activities. The worst part of this club according to Steph is, "getting dirty when planting things." The best part is, "making a difference right here in the area."

PSI stands for Postponing Sexual Involvement. "It's a program where you teach middle school kids about dealing with the pressures of sex, and encourage them to wait to become sexually involved," Kari said. The sponsor of this program, Jamie Hartski, is a friend of Kari's mother and that's how Kari first heard about the program. Kari was eager to join this organization because she enjoyed listening to the high school students when she was in middle school. For the past two years being involved with PSI has helped Kari learn to be a good role model, and helped her realize that younger kids really do look up to high schooler's. The worst part about being in PSI according to Kari: "kids being immature about the topics discussed." The best part is, "being able to share your experiences and viewpoints with the students."

Waltonians

altonians - Front Row: Abby Wiles, nily Reynolds, Andrea Myers. Second ow: Lauren Sharp, Amy Schutts, Christoer Ambroziak, Stephanie Marshall.

Member profile: Christopher Ambroziak

Hmm, Waltonians. Many of you have heard of them, but few are sure what this group actually does. Chris explained the exact duties of a Waltonian. First off the Waltonians recycle materials from the school every Thursday. The Waltonians sponsor two major events throughout the school year: a tree planting day, and a tree giveaway day. This is Chris's first year as a Waltonian. He decided it would be fun to join after Mr. Manuzak explained the club to him. He also thought it might look nice on college or scholarship applications. "Being in this club makes you realize how much people have to work at recycling to slightly better the environment." The worst part of this club according to Chris: "staying after school." Best part: "knowing you are truly helping the environment."

Susanne Koselak (high jump)

One hurdle, two hurdle... After 300 meters of those hurdles, Suzanne Koselak (Jr) starts to feel the burn. Suzanne broke the 300 meter school record this year. She quoted Franklin Roosevelt saying, "'Aggressive vigorous determination-a spirit that will begin when the meet begins and will not vanish until the meet ends'."

Around and around she goes! Andrea Horban (Jr) went great distances this year in discus. Andrea seldom lost to a competitor. She stated, "There's a difference between the teams competition and my competition, only I beat my competitors."

One lap, two laps, three laps, MILE! Ashley Young (Jr) and Rachel Wurz (So) compete in the mile at the Adams/Washington meet. Ashley said, "I like to see that all my hard work pays off when the stop watch stops as I cross the finish line."

The Need for Speed! Katie Horvath (Jr) finishes up the last leg of the 4 x 400. She likes the 4 x 400 the best because she can "work together with three other girls and push each other to win the race for the team rather than running in the individual races".

nning for the record! Shelby Morrow (So) runs in the last leg of the 4 x 800. The 4 x 800 am's biggest accomplishment this year was coming together as a team and beating the hool record this year for the fastest time. The 4 x 800 team consisted of Ashley Young (Jr), nessa Miller (So), Rachel Wurz (So) and Shelby.

Pow wow! Sara Zimmerman (So), Andrea Tolliver (So), Michelle Pogotis (So), and Katie Horvath (Jr) join together at the team's camp to cheer on their teammates that were running in the race. The team camp is set up each meet as a designated spot where the girls can put their running gear and gather to pray and huddle to yell their tradition chant. Katie stated, "I also like to listen to my music and visualize at camp before my race to get myself motivated."

Running, running, running, JUMP! Emily Stillson (So) long jumps against Adams and Washington to earn another 4th place ribbon! Emily likes to be with all her friends who are also on the track team and gets pumped for a race when she and Angie Presits (So) do the party dance. She also runs on the 4 x 100 team and said, "I like working with my teammates to win." She added, "Track- it's tough, real tough. But when the going gets tough, the tough gets going!"

NIC 2nd Team: Brandy Dalton, Erica Weaver, Alicia Ashburn, Kari Stamm
Honorable Mention: Brittany Blain, Ashley Ward, Kelsey Eghazi

Huddle Up! Coach Emery Petko gives some words of advice to his players as they prepare to dominate the opposing team. One of the rituals that the girls had was spitting in a circle before every game began. "Circle spitting and clapping help to get us pumped up prior to game time," said Claire DeVreese.

Varsity Softball-Front Row: Erica Weaver, Abigail Williamson, Mary Eberhardt, Lisa Whisman, Corey Andrzejewski, Ashley Ward. Second Row: Alicia Ashburn, Megan Kuzmicz, Rachael Matherly, Brittany Blain, Kimberly Sacha, Kari Stamm, Kimberly Yeakey. Catchin' up! Brandie Dalton (Jr) catches another one of Claire DeVreese's 70 m.p.h. pitches. "As a catcher I need to stay focused and concentrate on the game in order to help my team come out with a victory," said Brandie.

Batter up! Corey Andrzejewski (Sr) gets ready to take a strong swing at the ball to try to attain a base hit. "Defense is definitely our strength this season. Our biggest weakness would have to be our hitting," stated Corey.

Losing your head. The Cavemen girls relax in the dugout while cheering on a fellow teammate up at bat. "Work hard next year and give 110% effort, but make sure you're having fun while doing it," advised team captain, Ashley Ward. She also stated, "I will miss all the team dinners, the juniors, and my frosh Kelsey."

Here we go! Erica Weaver (Jr), with her eyes set on the base, runs her hardest to beat out the throw. The coaches often told their players to keep their head down and just focus on running. "My most memorable moment this season is beating Penn. It just made me want to pump my fist!" said Erica.

1...2...3... You're out! Claire DeVreese (Jr) throws a hard strike to her Riley opponent. Claire set a Cavemen record, striking out 26 batters in the Elkhart Memorial game. "My toughest, but also best win this season was the game against Penn. We weren't sure what the outcome would be, but we came through and beat them 1-0 in 11 innings!" exclaimed Claire. "Penn is a hard team to beat," agreed the team, but the girls took charge and defeated them.

Alice's partner for doubles during the season was Breeana Gregory (Sr). The weather was a key factor in tennis that helped determine whether or not they

Tennis Anyone? Jamie Riddle (Jr) and Nicole Barner (Jr) keep score during their tennis match. The two girls were doubles partners throughout the season. Nicole said, "My favorite part about this season was playing with Jamie and our coach was really cool! We all got along, so that made a huge difference."

Hustle Up! Emily Melin (Sr) is seen hustling for the ball during a match. Emily is known for her "quick feet" which is very important in the game of tennis. Emily's favorite part of the season, "was getting to know the freshmen and making new friends." Next year she will really miss all of the girls that she became friends with throughout the season.

Take Your Best Shot! Lindsi Bover (Sr) watches to see where the ball is going to be placed. Lindsi played the number two singles spot for the Cavemen. Playing against Adams was her toughest match because she was sick. "The girl had a lot of hard hits towards me but I pulled through with a win. I always watch to see where their favorite spot to hit the ball at during warm ups."

Take This! Breeana Gregory (Sr) shows off her tennis skills with a backhand stroke, while Alice Wilson (Jr), is ready to back her up as her doubles' partner. Breeana said, "This was a rebuilding season, but always have fun, and that is the most important thing to remember,". Part of their daily two hour practices included practicing the different tennis strokes and working on their serves.

Hanging Out on the Courts. Antoinette Franklin (Fr), Heather Brennan (So), and Ja'leesa Jones (Fr) take a break from warming up for a picture. This was each girl's first year for playing tennis at Mishawaka. "We all wanted to play because it looked fun and it was a way for us to stay in shape. Making new friends was the best thing about tennis," said the girls.

Serving it Up! Maria Grise (Sr) finishes up her serve to her opponent. "The way that I prepare for a match is by eating! We bring gummi bears, or granola bars to help us get pumped up," said Maria. Along with eating before every match, Maria plays a little match with a few girls to help her get warmed up. "It is just a great time when you can joke around with your teammates. It makes it a lot more fun," Maria said.

Mrs. Albert named Teacher of the Year!

How do you feel about being teacher of the year? "I am overwhelmed. I sincerely care about each of my students. It is important to me that each of them develope and grows into young capable adults"

Why do you think you were picked for the teacher of the year? "Mr. Eby asked me last spring to help provide a smooth transition into the new electronic attendance and grade book reporting process. To help with this process I created an instructional manual, which provided a detailed over view and a step-by-step description of how to implement and utilize the SASI electronic grade book and attendance system. The entire school corporation used the manual to assist school personnel in learning the new software. I also provided hands-on instruction for my colleagues."

Congratulations Retirees!

Mr. John Marker has taught Biology(9yrs), Physical Science(4yrs), and Chemistry(30yrs). After retirement he plans to concentrate on operating his farm, gardening, and spending time with his family. Good Luck Mr. Marker!

Mr. Tom May has taught for thirty years, while teaching twenty-one years at Mishawaka High School. He's taught Health, Driver's Education, Freshmen Physical Education., and Founder/Teacher of Advanced Physical education. During all his free time he will be flying commercial for most of the time. Good Luck Mr. May!

Mr. John Long has taught Cadet, Cecelians, a'Cappella choirs, Rhythm Express (he started in 1980), Madrigal Society Honors (he started in 1968), Organ/Piano Keyboarding class, Music Theory/History class, musical director of MHS musicals from 1958 (1st one at MHS) until 1998, Department Chair since 1965. Kimberly Sitok

Kimberly,

Time does fly by. It seems as though it was yesterday that you were born on the small island of Saipan in the middle of the vast Pacific Ocean. The fact that you spent most of your life on this beautiful island did not deter your desire to journey a half a world away simply to complete your high school education. Along the way you have established great friendships, excelled in golf, and most importantly, maintained a record of high academic performance. Your mother, your brother, and I are extremely proud of you and your accomplishments. Now, as you are about to embark upon another of life's journeys, and though the distance is not as great, the adventure is just as important. Keep it an adventure. Never lose that wonderful personality and character you now possess. Value the friendships that are so important to you now. Keep God as your guiding force, trusting in His wisdom and judgement. And in times of difficulty, always remember that you will have the support and love of your brother, your mother, and myself to help you through...

With Love, Your Dad

"Strive eagerly for the greatest spiritual gifts."
1 Corinthians 12:31

God Bless You,
Tom Black

Zachrey,

There are not enough words to tell you how proud we are of the fine young man you have become. You have brought us such joy, laughter, and excitement to our lives. You are like a ray of sunshine, you brighten everyone's day with your smile, kindness, and sense of humor. Many days you would have to remind me tomorrow is always a new day. You have been my son, friend, and listener. You have always thought about others and their feelings, you have always seen the good in everyone. You have always had a heart of gold. The goals you set are always in reach with the determination and positive mind you have. Zachrey, I hope your dream of owning a viper becomes true.

Love,

Mom & Dad

To my Ruby,
I thought it would be hard to send you to school, to let you drive, to let you date, to let you turn 18... hard is trying to put on a half of a page how much I love you and how proud of you I am. No matter where you go or what you do, Julia and I will be there for you. You are a great daughter and an excellent role model for Julia, as well as others. In everything you do continue to put the Lord first in each decision and you will be successful.

We Love You,

To our little peanut,

It seems like only yesterday when we brought you home.

A tiny little life, we were now responsible for. We were warned on how quickly the time would go by, and today here you stand.

A strong, spirited woman who is so caring, thoughtful, and hard working. Our first born, you taught us the joy of raising a child. Your gentle and kind nature made life such a breeze.

Today, here you stand, the very essence of who we dreamed you would be.

Know how very much you're loved and how very proud we are of you.

Love,
Mom, Dad, Aubrie and Alicia

Ashley Ward

Congratulations, Dan!
We are very proud of the person you have become.
Keep Smiling!
We Love You,
Mom, Dad, Randy, and Joey

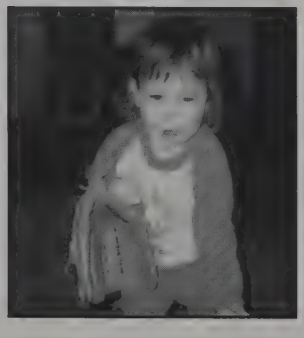
Daniel Schuster

Corey,

Wow! Where has the time gone? You have grown up and are moving on. We can't believe how much you have accomplished over the years. Many people know of your sports accomplishments, but those dearest to you that love you, know you as so much more. You are compassionate, loving, thoughtful, and funny. You are a strong leader and everything a parent hopes their child will become. We are very proud of you. In our hearts, we know God will lead you to accomplish anything you set your mind to. Ever onward!

We love you,

Mom & Dad



Corey Andrzejewski

Grant,
No one could have entertained us more. You are a million laughs. We are very proud of your academic diligence and athletic accomplishments. We are sure you will approach whatever challenges await you with your best effort. We will always be there for you.
With lots of Love and Laughter,
Mom, Dad
Abbey & Travis

Grant Canfield

Jeff,

We knew you were special the day you were born. As you grew, you became more special, with all of your accomplishments, in and out of school.

You have grown to become an outstanding person, a well liked young gentleman and dad's best "car buddy." The days of working on the cars will always be cherished. We know you will continue to grow and we wish you all the luck in he world as you continue on life's journey. We know you can accomplish any goal you set for yourself.

Love,
Mom, Dad, Julie, Brian, and Katie

Jeffrey Blanda

Dear Jeff,

Thanks for being the brother I've known for my fifteen years. Thanks for being there when I needed you and thanks for teaching me how to play soccer. Since you are a senior now, you're now a man of the house. We want to wish you the best of luck during your college years. I want you to know that your little sister loves you very much. Thanks for being the "BIGGER" brother I wanted my whole life. Thanks for being there for me. Congrats Jeff!

Love Always,
Katie

Travis,

You have a great focus and determination. There is nothing you could not do or can not do (except, turn off your closet light).

We are very proud of your academic achievements and athletic perseverance. We know that whatever comes next, you will approach with a great heart.

We will **always** be there for you.

With Lots of Love and Laughter,
Mom, Dad,
Abbey, and Grant

Travis Canfield

Dearest Sally,
You have cheered for us all of these years, thank you! Now it's time for us to cheer for you to have the greatest life ever.
Love,

Congratulations
Granddaughter, Nikkia

You are the apple of our eye.
Don't forget to give your father the credit he has coming to him for getting you where you are today.
Whatever your goal in life is, we are sure you will achieve it.
God bless you, we love you dearly.
Grandma and Grandpa Moore

To my Precious Nikkia,
You were a gift from God when you came into my life on July 15, 1985. I knew the moment I held you that my life would never be the same again. I would have never guessed what a joy and honor it would be to have such a precious and sweet little girl for a daughter. You have no idea of how many ways you have changed my life. When it comes down to choosing your path in life, it is all up to you but always know that I am here for you. Take each step carefully but don't let your caution stop you from taking chances. Taking chances is what life is all about, along with being a large part of becoming successful. I'm here for you Nikkia, to help you plan and make decisions that will hopefully make all your Today's and Tomorrow's more real and happy than all of your yesterday's.
We Love you very much,
Your Very Proud Dad & Brother Kenny

Robbie,

It's hard to believe that it's time to head off to college, the years have passed too quickly! While we miss the days of coaching and cheering for you in Little League and Pop Warner games, you have given us some great memories this football season, and senior year! We will never stop supporting you and know that you will continue to make us proud. Enjoy college and stay focused as you follow your dreams!

To my son Aaron,
I can still remember your dad rushing to the hospital. Ten minutes later you were here, peeing all over the doctor. From that moment on, you have been in a hurry. You seem to have the ability to be good at everything you do--from little league, to bowling, football, basketball, soccer, and swimming, and especially when you broke the school's diving record!! You have grown into a fine young man who is loving, caring and willing to help someone in need. We are all so proud of you! Keep up the good work. We'll miss you when you go to college.

Josh--
The years have passed so fast--it seems like yesterday that you were a little boy running around with a big smile on your face. Our memories are priceless treasures to store in our hearts forever.
...swimming at the lake & riding the "torpedo"
...neighborhood games in the backyard
...countless games of soccer, baseball, & basketball
...church youth camp & over-nighters
Your competitive drive is second only to your love for Jesus Christ. God has allowed many trials in your life to reveal Himself and give you a passion to serve Him. We know He has incredible plans for your future. We are very proud of the man you have become.

Little girl, suitcase full of Barbies,
where have you gone?
Gone to the prom.
Little student, starting kindergarten,
where have you gone?
Enrolled in the School of Life.
Little mermaid, splashing in the backyard
pool, where have you gone?
Searching for bigger pools.
Little rider, pedaling as fast as you can,
where have you gone?
Off in the car.
Little heart, snuggled in Papa's arms,
where have you gone?
Snuggling in other arms.
Little gamer, thumbs flying,
where have you gone?
Out to experience the Game of Life.
Little dreamer, sleeping under the
Christmas tree, where have you gone?
Still under the tree,
dreaming new dreams.
Little kicker, breaking boards,
where have you gone?
Breaking out on your own.
Little soul, seeking God,
where have you gone?
Wherever He can be found.
We thank God for blessing us with you.
Love, always, Papa, Nan and Tom

Travis,
Don't forget to come back and take me to my first kindergarten class after you leave for college.
I love you,
Ceci

Dear Travis,
You are the most wonderful son. Never asking for anything, but always willing to give. You have always put others before yourself. We are proud of what you have accomplished, and pray that your life will be as blessed as you have made ours. Travis, we are truly blessed to have you as our son.
With all our Love,
Mom and Dad

Trav,
Congratulations! I knew you would make it. I couldn't have asked for a better brother. You've always steered me in the right direction and helped me when I needed it most. Good luck going off to college!

Little One

The little one dances
Down the stairs
With a flair.
She twirls and whirls
And gleefully bounces
Out the door
To embrace the world.

Then in a blink of an eye
The little one
Floats down the stairs
With a gentle grace
Dressed for the prom
With flowers in her hair.

The little one
Has become a young woman,
And Mom and Dad wave Good-bye at the door
Knowing that she's
Well prepared
To embrace the world.
Love always and forever,

Mom and Dad

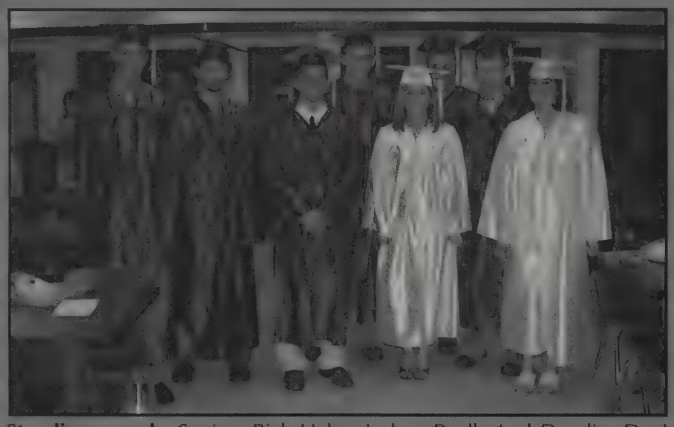
Mrs. Gretchen M. Bataille was proud to be this year's commencement speaker. Bataille was an alumni of Mishawaka High School Class of 1962 and came back to share her words of wisdom with the graduating class. Bataille grew up in Mishawaka and reminisced of the good times that she had while here. Bataille has had much success in her life since graduating from Mishawaka. She went on to Purdue University and furthered her education at California Polytechnic State University where she received her major in English and her minor in French. She has worked at numerous universities and is currently employed at the University of North Carolina as a Senior Vice President for Academic Affairs.



Standing proud. Seniors Rick Hahn, Joshua Paulk, Joel Dendiu, Daniel Smith, Rebecca Staples, Matthew Overman, Aaron Soule, and Kristin Gill gather together one last time before commencement.

Another year spins to an end.. and a beginning

First to finish. Chris Berndt and Alexandar Crise help to test drive. "Mishawaka students car design is for beyond that of many Universities!" exclaimed Mr. Modlin.

Another year has come to a close and many memories have been made. The class of 2003 is moving on to bigger and better things. Some students are going to college while others are looking forward to a year off of school. While students are starting new beginnings in their lives Mr. George Marzotto started a new beginning in his life this year when he came to Mishawaka.

Mr. Marzotto said that "This year has been an outstanding year. It is such a pleasure to come back to your hometown and teach where you once graduated. It was such a great year and was the best year that I've had in thirty-two years. One of my favorite activities of the year was the Christmas food drive. It was such a fabulous program that helps out so many people in need. Another outstanding moment that I enjoyed this year was when we had freshmen orientation. I thoroughly enjoyed that because it is such a great feeling when i recognize students that I had and that are now parents bringing their students to me. Overall it was an outstanding year mainly because of the students here at Mishawaka. I would just like to thank both the students and the staff here at Mishawaka for such a great year."

The end of the year may have come to a close, but it is a new chapter in everyone's lives. While the seniors step out into the real world, the juniors begin filling out their applications for college, the sophomores step one year closer to graduating and the freshmen have just begun.

This year was a year filled with memories of pep assemblies, dances, food drives, and much much more but no matter what the memory was it was always filled with fun and excitement that will stay with us forever. Congratulations to the class of 2003 on all of their achievements and good luck in the future.

Graduating in style. Seniors Jennifer Kline and Kerry Sharp take a moment before commencement to remember their high school years.

Mrs. Joanne Sipocz and Daniel Sipocz sit together and reminisce about his high school years. Students each wore a cap and gown to commencement. Girls were required to wear white while the guys had to wear maroon.

Serving his country. Anthony Santos (Sr) and Mrs. Teresa Santos prepare for the big moment on the stage. Anthony was one of few students whose chose to go into the Army to represent his country. Students who chose to go into armed services received a red, white, and blue tassle on their mortar board.
